

## **The Well of Grief**

Those who will not slip  
below the still surface of the well of Grief  
turning down through its black water  
to the place we cannot breath  
will never know the source from which we drink,  
the secret water, cold and clear,  
nor find in the darkness glimmering  
the small round coins  
thrown by those who wished for something else.

David Whyte
